NOTE A – NATURE OF ACTIVITES AND SIGNIFICANT ACCOUNTING POLICIES

Nature of Activities

South Wind Villas Homeowners Association (the "Association") is a nonprofit corporate organization in the State of North Carolina. Its primary purposes are the operation and maintenance of the common property of South Wind Villa Condominiums. The Association consists of 162 residential units located on Teague Road in Winston-Salem, North Carolina.

A summary of the Association's significant accounting policies follows:

Fund Accounting

The Association's governing documents provide certain guidelines for governing its financial activities by using fund accounting. The Association uses two classifications for maintaining its financial resources according to their nature and purpose:

Operating fund: This fund is used to account for financial resources available for the general operations of the Association.

Capital improvements fund: This fund is used to accumulate financial resources designated for capital improvements, equipment and future major repairs and replacements. This fund is separated into two categories: "Replacement" for replacement of existing capital assets, and "Equipment" for the purchase of new equipment.

Cash and Cash Equivalents

For purposes of reporting cash flows, the Association considers all cash investments purchased with a maturity of three months or less to be cash equivalents.

Accounts Receivable

The Association records accounts receivables at the amount management expects to collect from outstanding balances at year-end. Management closely monitors outstanding balances and dues received from individual unit owners.

Property and Equipment

Property and equipment are carried at cost and are depreciated under straight-line and accelerated methods over their estimated useful lives as determined under the Internal Revenue Code. The Association does not record the real property and common areas acquired from the developer in the financial statements because the individual unit owners own those properties in common.

NOTE A – NATURE OF ACTIVITIES AND SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

Expense Allocation

The costs of providing program and support services have been summarized on a functional basis in the statements of activities and the statement of functional expenses. Accordingly, certain costs have been allocated between the program and supporting services benefited on a reasonable basis that is consistently applied by management. Directly identifiable expenses are charged to the appropriate programs and supporting services. Expenses related to more than one function are charged to program and supporting services on the basis of estimates made by management.

<u>Liquidity</u>

The Association has \$178,434 of financial assets available to meet cash needs for general expenditures within one year of the Statement of Financial Position date, as noted in the current assets section of the statement. None of the current financial assets are subject to donor or other contractual restrictions that make them unavailable for general expenditure within one year of the Statement of Financial Position date.

The Association maintains financial assets, consisting of cash and short-term investments, on hand to meet its normal operating expenses based on its annual budget. Operating expenses are compared to budgeted expenses on a monthly basis and financial assets on hand are adjusted as necessary.

Estimates

The preparation of financial statements in conformity with generally accepted accounting principles requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates.

Income Taxes

Homeowners associations may elect to be taxed as regular corporations or as homeowners associations. For the year ended December 31, 2019, the Association has elected to be taxed as a homeowners association. Consequently, no provision for income taxes has been made in the accompanying statements. The Association's management believes that there is a basis for all tax positions taken by the Association in their tax returns. Therefore, there are no uncertain positions disclosed in these financial statements.

The Association's Forms 1120-H, *Return for Homeowners Associations* are subject to examination by the IRS, generally for three years after they are filed

NOTE A – NATURE OF ACTIVITIES AND SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

Subsequent Events

Management has evaluated subsequent events through the report date, the date the financial statements were available to be issued.

NOTE B – CASH AND CASH EQUIVALENTS

The Association maintains its cash in bank deposit accounts which, at times, may exceed federally insured limits. The Association has not experienced any losses in such accounts, and management believes it is not exposed to any significant credit risk on cash. At December 31, 2019, the Association did not have bank deposits which exceeded federally-insured limits.

NOTE C- PROPERTY AND EQUIPMENT

Property and equipment consist of the following at December 31, 2019:

Computer equipment Less accumulated depreciation	\$ 2,903 2,782
	\$ 121

Depreciation expense was \$241 in 2019.

NOTE D – FUTURE MAJOR REPAIRS AND REPLACEMENTS

The Association's governing documents do not require the accumulation of funds to finance estimated future major repairs and replacements. The Association has not conducted a study to determine the remaining useful lives of the components of common property and current estimates of costs of major repairs and replacements that may be required in the future. The Board of Directors has also not developed a plan to fund those needs. When replacement funds are needed to meet future needs for major repairs and replacements, the Association has the right to borrow funds, increase regular assessments, pass special assessments, or delay major repairs and replacements until funds are available. The effect on future assessments has not been determined at this time.

NOTE E – SUBSEQUENT EVENT

The Association's operations may be affected by the recent and ongoing outbreak by the coronavirus disease 2019 (COVID-19) which was declared a pandemic by the World Health Organization in March 2020. The ultimate disruption which may be caused by the outbreak is uncertain at this time.
